The Music Study Club met on November 28th at the Sherman Clay Concert Hall with the President, Mrs Braslan in the chair.

The minutes of the previous meeting were read by Mrs Crothers and accepted.

A motion carried to allow a bill of two dollars ($2.00) for the Musicians Fund of America, also a bill for 10¢ per capita for additional dues in the California Federation of Musical Clubs.

An invitation to join the County Federation of Womens Clubs was read and after discussion it was decided to postpone action on it till the next meeting.

The following members were welcomed into the club as active members, Miss Riddell and Miss Murphy. The new associate members are Mrs Burchfiel, Miss Caroline Potter, Mrs Allen Ferguson and Mrs Norman Danner.

The Club members and guests enjoyed very much hearing Miss Williams in a very delightful group of piano numbers after which a double quartette presented "The Legend of Granada" by Hadley. Those participating were Mrs Carlan, Mrs Dutton, Mrs Argall, Mrs Shephard, Mrs Malgren, Mrs Morrish, Mrs Bauer and Mrs Mitchell with Mrs McKenzie at the piano.

The next meeting to be held on December 12th was postponed to December 19th. As this is to be our Christmas program it was decided to make it an open meeting and held at the First Methodist Church.

Respectfully submitted,
Vera N. Shephard Sec.

The Music Study Club held its meeting of Dec 19th at the Methodist Church, with many guests present.

The program being devoted entirely to Christmas music, there was no business meeting.

The program was very delightful and gave us our first real Christmas spirit.

In the unavoidable absence of Mrs Crothers, her paper on Christmas music was ably read by Miss Rogers and the musical program opened with that always inspiring Carol "The First Noel" sung by Mrs Sword, Mrs Jackson, Mrs Margatten, Mrs Breslan and Mrs Mitchell.

Then came

Mrs Jackson and Chorus

The Music Study Club
met at Sherman Clay Hall on Jan 8th,
Mrs Braslan presiding.

After the minutes were read
and accepted the roll was
called and twenty five active
members responded.

Under old business the
matter of the invitation to join
the County Federation of Womens
Clubs was discussed, and Mrs
McKenzie moved that we
postpone affiliation for the
present and the motion carried.

The secretary was instructed
to send a note of appreciation
to Dr Linder for the use of the
Methodist Church at the time
of the Christmas program
and, also to Mr Murgatten
for his gift of printed programs
for that same program.

The name of Mrs Bullock
was proposed and properly
vouched for as an associate

member of the club.

A bill of one dollar ($1.00) was
allowed for janitor service at
the Methodist Church.

There being no further business
the president turned over the
meeting to Mrs Crandall
who took charge of the program.

This program opened the study
of the "Ring of the Nibelung" ~~by~~ by
Wagner.

This is the most complex and
pretentious of Wagner's work—

It is composed of four parts,
each requiring several hours of
performance.

The "Rheingold" may be regarded as
the prologue, followed by "The Walküre",
"Siegfried" and "Gotterdammerung".

Mrs Crandall presented a most
interesting paper on the life and
accomplishments of Wagner and
prepared our minds for this
musical drama.

The study of Richard Wagner

- his purpose, his conceptions as poet, dramatist and musician - is the most difficult in all the history of music.

Wagner was himself the author of his texts and in order to bring the music, text and action into unity he employed "leading motives." Each person or object on whom the plot depended is associated with a certain melody or strain which is heard whenever that person or object is suggested.

Mrs Crandall gave us the story of the "Rheingold" in a very delightful manner, introducing each "motif" as it appeared, with Mrs Brinkley at the piano, illustrating.

The Rhein maidens were illustrated by Mrs Duckell, Mrs Cowger and Miss Piper in two beautiful trios.

Miss Rogers sang the "Warning" song of Erda, the prophetess, to whom all things - past, present, and future -

are known, which we enjoyed very much and the program was ended by the very pleasing violin solo by Mr. Willis Duckell which introduced most of the "motives" that occurs throughout the opera called the "Rheingold Fantasie".

After the minutes were read and accepted the treasurer, Mrs Hayward reported $97.85 in the treasury after paying $19.15 out for expenses.

A motion carried to thank Mrs Carlon and Mrs Malgren for providing the years programs for the club members.

Mrs Bullock was unanimously elected to associate membership.

Mrs Cook had charge of the program and had prepared a most instructive paper on Wagner's Walküre with illustrations on the piano and Victrola.

Mrs Heller assisted Mrs Cook

by playing the Magic Fire Music.

Die Walküre follows the Rheingold in Wagners "Ring of the Nibelungen", of which the club is enjoying the study of.

The meeting adjourned to meet on Feb 13th for the study of Siegfried.

The Music Study Club met at Sherman Clay Hall of Wednesday February 13th - at 10^{15} o'clock with Mrs Braslan presiding.

After the reading of the minutes which were accepted and roll call, the name of Mrs Grace Spencer Hall was acted upon for associate membership. There being no dissenting vote, Mrs Hall was unanimously elected.

There were three new names presented for membership on the associate list and duly vouched for, the names being
Mrs Gustave Weichert presented by Miss Kelly
Mrs Frederick Yost by Mrs Coykendall
Miss Katherine Gleichstich by Mrs Braslan.

A letter was read from Mrs Sanford Bacon, a former active member of this club who had kindly represented Mrs Braslan at a meeting

at the home of Mrs Birmingham the State President of Musical Clubs, of which Federation, we are members.

As the membership is obligated to pay $\$1^{00}$ per member toward the convention, a motion carried that an assessment of $\$.30$ per capita be made, with donations acceptable, and the balance necessary to make up our quota be allowed from the treasury.

As there was no other business the Study of "Siegfried" was taken up. A great deal of appreciation was felt ~~the~~ for the able manner in which Mrs Coykendall and Mrs Driskell assisted Mrs Cagwin in the illustrations of the beautiful but very difficult music. The paper was prepared by Mrs Shepherd.

The treasury to be reimbursed one half the amount by each acting member paying in $.50 -

The names of the three prospective members, having been read and duly vouched for, were voted upon and the following were elected to associate membership -

Mrs Gustave Weichert, proposed by Miss Kelly

Mrs Frederick Yaw, proposed by Mrs Cuykendall

The postponed meeting of February 27th, later was scheduled to take place on March 19th, at which time the study of "Gotterdammerung" would be presented by Miss Hiller.

There being no further business, an hour of music was greatly enjoyed, the program being presented by the Misses Kalas -

The program was a great treat in that, aside from listening to our own members, Miss Bozena and Miss Helen Kalas we had the pleasure of hearing visiting artistis, namely

The Music Study Club met in postponed session on Wednesday March 19th at Sherman Clay Hall with the President presiding.

After the minutes of the previous meeting were read and accepted roll was called, there being no business, Mrs Heiler presented the study of "Gotterdammerung" or "The Dusk of the Gods"

This program proved to be the "grand finale" of the four music dramas of Wagner's "Ring".

Mrs Heilers gave a most interesting paper, including a short analysis of Wagner as a Philosopher, a history of the festival theatre at Beyreuth and the story of Gotterdammerung,

Mrs Morrish, Mrs Driskell and Mrs Masher sang a lovely trio and Mrs Morrish sang a solo from the opera, being ably accompanied by Mrs Pagson at the piano.

The program closed with a delightful piano duet by Mrs Heiler and her sister Mrs Kay.

Miss Marie Withrow of San Francisco who has lived much of her life abroad and who had visited Wagner's grave, gave us entertainingly some of her personal experiences in Germany.

She also complimented highly the club on its interesting and its study of such serious work as this the "Nibelungen Ring" of Wagner.

Club adjourned to meet on Wednesday March 26th to listen to Rabbi Franklin speak of "Traditional Hebrew Music and to hear a program of Hebrew Music.

Vera N. Shephard, Sec.

The regular meeting of the Music Study Club was held at the St James Hotel on March 19-1924, with the President, Mrs Breslin presiding.

After the minutes were read and accepted, roll was called to which twenty active members responded. Most of the associate members were present with many guests making a good audience for a most enjoyable program.

The treasurer reported $142.60 in the treasury including some of the $.50 assessments made for Federation expenses. She asked all those who had not paid, to please remember and reimburse the treasury.

The name of Mrs Leonard Brock, having been proposed and duly vouched for, was then put before the members and Mrs Brock was unanimously elected to the associate list.

Two new names were proposed for associate membership, being Mrs Evan Green proposed by Miss Kelley and Mrs J.C. Blair proposed by Mrs Driskill. Each name being vouched for, they will be voted upon at the next meeting.

Mrs McKenzie moved and the motion carried that a note of appreciation be sent to Mr Eardley of Sherman Clay & Co. for his many kindnesses in the past and especially for his courtesy in securing the Rose Room of the St James Hotel with the use of two of his pianos moved for our use at no expense to us.

Up to the present Mr Eardley has been very generous and courteous to the club in inviting us to meet at Sherman Clay Hall, for our programs, but it has proven an inconvenience to their business and it now is necessary for the club to find a new meeting place.

Mrs Hayward moved that the president appoint a committee for arranging such place and time. Motion carried and the business meeting adjourned to listen to the program on Traditional Hebrew Music under the direction of Miss Piper.

The first number was a duet for two pianos. "Fingals Cave" by Mendelssohn, played by Mrs Pugh, Miss Mildred Murphy, Miss Hazel Kelley and Mrs David Atkinson.

Following this number, Rabbi Franklin was introduced and gave an hour's interesting lecture on the Jewish traditions, customs and melodies used in the temple services.

These characteristic songs of the Jewish race which have come down through ages past were beautifully sung by Miss Piper in Hebrew.

Mrs Charles McKenzie was the accompanist and added much to the program by her sympathetic playing besides giving three solo numbers illustrating the works of Meyerbeer, Offenbach and Rubenstein.

The program closed with a violin solo "Kol Nidre" (Day of God) beautifully played by Ephriam Eggleman.

Vera N. Shepard, Sec.

The Music Study Club met at the lovely home of Mrs Heller on April 9th at 10-30 for our program of Easter music.-

There being no further business

The following program was given

Mary (Sacred Song cycle) Paul Bliss
a. Mary, The Virgin
b. Mary The Mother
c. The Two Mothers

by Miss Rogers-

Preceding each number of this beautiful cycle, Miss Dorothy Harden gave the biblical narrative illustrating the songs, with Mrs McKenzie giving much pleasure also by her accompaniments.

The second number was a trio by Miss Piper, Miss Rogers and Mrs Mitchell which was greatly enjoyed.-

Spring Song (from Le Cid) Massenet with Mrs Brinker accompanist.

SWEDISH MUSICAL PROGRAM ENJOYED

Swedish music was featured in the program presented at the first meeting of the year of the Music Study club, held yesterday morning in the lounge of the Hotel Sainte Claire. Mrs. Rudolph Blauer read an interesting paper on Swedish music and laid particular emphasis on the effect it has had on the music of the world. She stressed the fact that it was Sweden which gave two such singers to the world as Jenny Lind and Christine Nielson.

Mrs. Blauer sang the Swedish national anthem as her first number. She also sang "Black Swan" (Hallstrom); "the Look" (Alfven), and "Ever Near" (Lindblad). All of her numbers were sung in Swedish and were beautifully done. Mrs. Charles McKenzie was accompanist.

A group of piano solos by Swedish composers was given by Miss Catherine Scorsur. Her selections were, "Tourterelle" and "Humoreske" by Sjogren and "Fantasiestucke" by Stenhammer.

In the absence of Mrs. Robert K. Sword, president, Mrs. Leda Gregory Jackson, vice-president, presided.

The San Jose Music Study Club met on May 28th at the home of Mrs Stanley Hiller with the president Mrs Braslan presiding.

After the minutes of the previous meeting were read and approved, twenty two active members responded to roll call with several associate members and guests present.

Mrs Huggins proposed the name of Mrs Mayo Hayes O'Donnell as an honorary member and she was duly unanimously elected.

After a little discussion, a motion carried that the individual member or members make their own price for repeating any number outside the club.

Mrs Huggins was appointed to act as correspondent.

The Misses Kalas handed in their resignation because of other duties for next year.

Four new names were proposed for membership.

Mrs Arthur Brown active, proposed by Miss Eichwalt

Mrs Harold Hunt, associate, by Miss Eichwalt.

Mrs Frank Downer, associate, by Mrs Murgatten

Miss Emeline Beatty active or associate by Mrs Hiller.

The election of officers for the following year resulted as follows—

For President – Miss Piper
Vice President – Mrs Pugh
Secretary – Mrs Driskell

Following election the program presented by Mrs Hiller pianist, Mrs Driskell, soloist, Mrs Pogson accompanist was a great treat and much enjoyed but we also saddened in knowing we would not have Mrs Hiller and Mrs Pogson with us on next years programs. V. N. Shephard
